

Welcome!!!

Here at Quality Shoppe, we want to not only help you save money by offering quality clothing at a discounted price, but help you earn money by selling your gently used and like new clothing. Becoming a consignor with us is easy and can be done in 3 simple steps!

**STEP 1) BRING IT IN**

\*Bring in your gently used clothing freshly laundered and folded during our consignment drop off hours.

**STEP 2) BROWSE WHILE WE WORK**

\* Shop around the store while our crew selects items that we think we can sell for you.

**STEP 3) GET PAID**

\*You will earn 40% of the sale price of each item sold

That's it! We won't take everything you bring in as what we select will depend on brand, quality, season and supply and demand. However, we will work hard to sell what we can at the best price.
